The Aryan race is an idea that was formed in the 19th and early 20th century. The term "Aryan" comes from the Rig Veda and is the name of an ancient group of people in ancient Persia and India, who spoke an Indo-European language. It has been used to describe people of Iranian and Indian descent, but there was no record of Aryans in European history.

A mill race, millrace or millrun is the current of water that turns a water wheel, or the channel conducting water to or from a water wheel. Compared to the broad waters of a mill pond, the narrow current is swift and powerful. The race leading to the water wheel on a wide stream or mill pond is called the head race (or headrace), and the race leading away from the wheel is called the tail race ...
