Social nudity is the nude appearance of the human body in relatively public settings not restricted by gender. This occurs both in public spaces and on commercial property, such as at a naturist resort. It is sometimes controversial for addressing and exploring a myriad of sometimes taboo subjects, stereotypes, and mores. Although many issues are discussed, it does not necessarily mean that they ...

In this lesson, students learn to question media representations of gender, relationships and sexuality. After a brief "myth busting" quiz about relationships in the media and a reminder of the constructed nature of media products, the teacher leads the class in an analysis of the messages about gender, sex and relationships communicated by beer and alcohol ads.
