it might burn pdf

"Burn" is a song by British rock band Deep Purple. Its riff is similar to the 1924 song "Fascinating Rhythm". It was released on the album of the same name in 1974, and was the first song by the Mark III lineup. The song remained the band's concert opener for the next two years, taking over from "Highway Star". It opened Deep Purple's set on the California Jam two months after its release, on 6 ...

A friction burn is a form of abrasion caused by the friction of skin rubbing against a surface. A friction burn may also be referred to as skinning, chafing, or a term named for the surface causing the burn such as rope burn, carpet burn or rug burn. Because friction generates heat, extreme cases of chafing may result in genuine burning of the outer layers of skin.
