Strategy (from Greek ?????????? strat?gia, "art of troop leader; office of general, command, generalship") is a high level plan to achieve one or more goals under conditions of uncertainty. In the sense of the "art of the general", which included several subsets of skills including "tactics", siegecraft, logistics etc., the term came into use in the 6th century C.E. in East Roman ...

Disabled children: a legal handbook is an authoritative yet accessible guide to the legal rights of disabled children and their families in England and Wales. The authors expertly navigate the many, often overlapping, sources of law, explaining the difference between what public bodies must do to support disabled children and that which they may do.
