Copperplate is a style of calligraphic writing most commonly associated with English Roundhand. Although often used as an umbrella term for various forms of pointed pen calligraphy, Copperplate most accurately refers to script styles represented in copybooks created using the Intaglio printmaking method.. Western calligraphy is the art of writing and penmanship as practiced in the Western world, especially using the Latin alphabet (but also including calligraphic use of the Cyrillic and Greek alphabets, as opposed to "Eastern" traditions such as Turko-Perso-Arabic, Chinese or Indian calligraphy).. A contemporary definition of calligraphic practice is "the art of giving form to signs in an ...
