Jake and Alice. Jake and Alice are siblings. Alice was born in 1988, and Jake was born in 1992. Although there is a four-year difference in age, they get along well. When Jake was in high school, Alice helped him choose classes she had enjoyed, with teachers that she liked and thought he would find interesting.

The name Jake and Eli is based on the historic tales of two different men who are credited with being the first to create the concept that we now know and love as American Bourbon. This is an authentic American story that gives a vintage elegance like a worn club chair. One which combines moods, tastes, hearty laughter and aromas of grilled meats.

In a Different Voice Psychological Theory and Women's Development Carol Gilligan Harvard University Press, Cambridge, Massachusetts, pp . 24-39. In 1914, with his essay "On Narcissism," Freud swallows his distaste at the thought of "abandoning observation for barren theoretical controversy" and extends his map of the psychological domain.
