Although Kruger, best known for her caustic pro-choice posters in subways, probably meant the piece as a jab at the art world,

it takes on a more matter-of-fact meaning in the context of JCAL's innovative new exhibit, "Jamaica Flux: Workspaces and Windows," which seeks to underline the ties that bind art to commerce.

Early life and education. Jayson Keeling was born in 1966 in Brooklyn, NY to Jamaican parents. Keeling's grew up between Jamaica and the Bronx, New York. His bi-cultural upbringing would later influence his work. Keeling graduated from the Fashion Institute of Technology in 1986 with an AA in Fashion Illustration and Art History. Keeling started off by working as a photographer and film ...
