

JAPAN OKINAWA THE SOUTHWEST ISLANDS LONELY PLANET GUIDE

japan okinawa the southwest pdf

The Southwest Islands reveal a Japan you may not know exists: a chain of semitropical, coral-fringed islands evocative of Hawaii. But spectacular nature is only part of it – the Southwest Islands exude a peculiarly ‘un-Japanese’ culture – the Ryūkyū cultural heart still beats strongly here.

Japan - Okinawa & the Southwest Islands (PDF Chapter)

Okinawa-hontō is the bustling main island of Okinawa Prefecture and jumping-off point for the nearby Keramas, tiny gems with white-sand beaches and crystal-clear waters. Miyako-jima boasts killer beaches and laid-back, retro appeal. And furthest south, the Yaeyama Islands boast Japan's best coral reefs, subtropical jungles and mangrove swamps.

Okinawa & the Southwest Islands - Lonely Planet

Okinawa & the southwest islands Japan's Southwest Islands, or Nansei-shotō, are the other Japan: a chain of semitropical islands that feels more like Hawaii or Southeast Asia than mainland Japan.

Land transformation on Okinawa Island, southwest Japan

Welcome to Okinawa & the Southwest Islands Collectively known as the Southwest Islands, the Nansei-shotō (????) comprises several chains of semitropical, coral-fringed isles far removed from the concerns of mainland life, where the slow pace and unique cultural heritage of the former Ryūkyū kingdom endures, offering a vibrant ...

Naha travel | Okinawa & the Southwest Islands, Japan

Located southwest of mainland Japan, between mainland Japan and Taiwan in the Pacific Ocean. Okinawa is found in the same latitude zone as the other famous beach resort destinations such as Hawaii, Florida, and the Bahamas

Okinawa - Island Studies

On a map, the major Okinawa islands look a little like a long disjointed tail off southern Japan that whips toward the southwest. Naha, the capital, lies roughly at the center of the group in southern Okinawa Honto, the largest island.
