The top class in Super GT, GT500, is dominated by the three largest automakers in Japan - Nissan, Honda, and Toyota. Since 2006, Toyota has been represented in GT500 by its luxury vehicle brand, Lexus, after the retirement of the Toyota Supra from the series. The GT500 class is composed entirely of manufacturer-supported teams, the giants of the Japanese racing industry.

Super GT - Wikipedia

The Japanese Touring Car Championship (abbr: 1985-1993: JTC, 1994-1998: JTCC, officially known as All Japan Touring Car Championship, Japanese name: ??????????????), was a former touring car racing series held in Japan. The series was held under various regulations during its existence, including international categories such as Group A and Super Touring, which allowed ...

Japanese Touring Car Championship - Wikipedia

The statistic shows the best-selling cars in the United States as of year-end 2018. Toyota sold about 303,730 Corolla vehicles in 2018. That year, around 111.18 million automobiles were registered ...
